## **Section I: *The Four Steps***

---

Summary of the Four Steps.....	3-8
--------------------------------	-----

### **STEP ONE: INITIAL TREATMENT**

Technique #1: The Tendino-Muscle Meridians.....	9-12
Technique #2: Opposite Side (contra-lateral).....	13-15
Technique #3: Opposite Extremity (upper/lower).....	17-20
Technique #4: Empirical Points.....	21-22

### **STEP TWO: MERIDIANS & MICROSYSTEMS**

Technique #5: The Shu-Stream Point Combination.....	23-25
Technique #6: Traditional Point Categories.....	27-29
Technique #7: The Extraordinary Meridians.....	31-34
Technique #8: Microsystems.....	35-37

### **STEP THREE: INTERNAL ORGAN IMBALANCES**

Technique #9: Qi, Blood, and the Zang-fu Organs.....	39-43
--	-------

### **STEP FOUR: THE SITE OF INJURY**

Technique #10: Local and Adjacent Points.....	45-49
---	-------

## **Section II: *The Injuries***

---

### **HEEL PAIN**

- 1 Achilles Tendonitis .....53-62
- 2 Plantar Fasciitis .....63-73

### **FOOT PAIN**

- 3 Lateral (Inversion) Ankle Sprain .....75-83
- 4 Pain of the First MTP Joint (The Big Toe) .....85-92
- 5 Metatarsal neuroma (Morton's neuroma) .....93-99

### **LEG PAIN**

- 6 Shin Splints (Anterior Tibial Stress Syndrome) .....101-109
- 7 Shin Splints (Medial Tibial Stress Syndrome).....111-120

### **ANTERIOR KNEE PAIN**

- 8 Patello-femoral Joint Dysfunction .....121-132
- 9 Patellar Tendonitis .....133-141

### **MEDIAL KNEE PAIN**

- 10 Acute: Injury to the Medial Collateral Ligament  
or the Medial Meniscus .....143-152
- 11 Chronic: Degenerative Arthritis of the Medial Compartment.....153-161

### **LATERAL KNEE PAIN**

- 12 Ilio-tibial Band Syndrome.....163-174

### **POSTERIOR THIGH PAIN**

- 13 The Hamstring Muscle Group.....175-183

### **HIP PAIN**

- 14 Trochanteric Bursitis of the Hip .....185-194
- 15 Arthritis of the Hip .....195-203

### **LOW BACK PAIN**

- 16 The Quadratus Lumborum Muscle .....205-215

### **HAND PAIN**

- 17 Carpal Tunnel Syndrome.....217-226

### **ELBOW PAIN**

- 18 Lateral Epicondylitis (Tennis elbow).....227-237
- 19 Medial Epicondylitis (Golfer's Elbow) .....239-247

## SHOULDER PAIN

20 The Supraspinatous Muscle .....	249-261
21 The Infraspinatous Muscle .....	263-273
22 Frozen Shoulder .....	275-284
23 The Biceps Muscle Group .....	285-294
24 The Acromial-Clavicular Joint .....	295-302

## NECK PAIN

25 The Levator Scapulae Muscle .....	303-313
--------------------------------------	---------

## **Section III: *The Appendices***

---

Appendix A: References .....	317-319
Appendix B: R.I.C.E., Application of Ice, Application of Heat .....	320-322
Appendix C: Anti-inflammatory Medications .....	323-324
Appendix D: Biomechanical Imbalances .....	325-327
Appendix E: Cross Training .....	328-329
Appendix F: Physical Therapy .....	330-333
Appendix G: Orthopedic Assessment .....	334-335
Appendix H: Orthopedic Tests .....	336-341
Appendix I: Grading System for Sprains and Strains .....	342-343
Appendix J: Electrical Stimulation .....	344-346
Appendix K: Activation of the Tendino-Muscle Meridian .....	347-349
Appendix L: Topical Applications .....	350-352
Appendix M: Acupuncture Points .....	353-355
Appendix N: The Extraordinary Acupuncture Points .....	356-358
Appendix O: Myofascial Trigger Points .....	359-360
Appendix P: Wrist-Ankle Acupuncture .....	361-362
Index .....	363-365
Biography of the Authors .....	367-368
